Dear Councillors
The examiners of the Wiltshire Council draft Local Plan have paused their work whilst they wait for Wiltshire Council to do more work.....
All in the letter attached and below, and the progress of the Local Plan is a standing item on the Planning Committee agenda, so this will be a LATE paper for that meeting on Monday.
Kind regards, Teresa

Update on Local Plan Examination

The council was informed yesterday that, following the examination hearings that took place last week, the remaining hearing sessions in the draft programme for the examination of the Wiltshire Local Plan have been postponed, to allow further work to be completed.

This is set out in the Inspectors' letter (dated 17 November) and is available to view on the examination website.

The Inspectors will provide greater detail about the work they consider is required in a subsequent letter, which will be published on the examination website in due course.

While we recognise that pausing the examination process is not ideal, as it may result in amendments and may affect the timescale for the Plan's adoption, it is important that we deliver the right Local Plan for the whole of Wiltshire.

We will share more on the next stages of the examination process once further information is available.
